

**Poster Presentation Information, 2010 RESCUES
for “What is new in Europe in the field of regenerative medicine? “**

The poster presentation will be held on Marlborough room in Scotswood suite and McClintock room, with 20 posters.

Poster boards are 140 cm wide by 100 cm high. Thus posters should fit into these dimensions. Posters can be attached to the boards using pins, which will be provided.

Posters will be allocated numbers and a map of the poster board layout is shown below.

RESCUES reserves the right to determine final poster space assignments and to accept or reject any posters.
